Allowable Subject Matter

1. Claims 1-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: The claims as amended, setting forth an endless track having an endless body of reinforced rubber material with longitudinally spaced and transversely disposed stiffeners embedded within the rubber material, the body forming a central band portion with opposing lateral band portions located on each side of the central band portion, the central band portion is delimited from the two lateral band portions by a pair of suspension bearing portions that define a plurality of clipping sites separated by through holes; the clipping sites are adapted to receive a metallic clip, wherein clips are mounted on more than one clipping sites in an arrangement that defines a clip sequence, each clip sequence includes one or more successive clipping sites with a clip mounted thereon immediately followed by one of two successive clipping sites without a clip, and each consecutive clip sequence along the suspension bearing portions is different from each of its immediate neighbors; have been found to be allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
